DATA to give presentation for ICT scenerio in INDIA during India Brizil South Africa Summit) September 2006

New Delhi, 8th Sept 2006 :- The first India, Brazil & South Africa (IBSA) Business Summit is being organised on September 12, 2006 at Brasilia. Launched in March 2005 at Cape Town, the IBSA Business Council aims at exploring synergies for the promotion of trade and economic co-operation among India, Brazil and South Africa.

High Powered Business Delegations from India, Brazil and South Africa will be attending this Business Summit. The Summit would explore potential areas of co-operation between the three countries in focus sectors including: Information & Telecommunications, Infrastructure, Energy, Agriculture & Food Processing, Auto & Auto Spare parts and Innovation & Technological Development including Pharmaceuticals & Biotechnology. Besides, National Confederation of Industry, our counterpart chamber in Brazil, will be organizing business-to-business meetings on September 13, 2006.

A senior level business delegation for the IBSA Summit will be going to explore the trade and investment opportunities with their counterparts from Brazil and South Africa.

Heads of States from all the three countries would be visiting Brasilia on these dates to attend the Political Summit on September 13. The Hon'ble Prime Minister of India, Dr Manmohan Singh along with the Heads of States from Brazil and South Africa will be addressing the Summit. Almost 47 renowned delegates like Mr. P. R. Dhariwal from Essar Group, Mr. S R Rao (Executive Director) Exim Bank, Dr. Ajay Kumar Data (CEO) Data Infosys Limited, Mr. Antonio Murta (Vice President) Wipro, Mr. Suresh Kotak (Chairman) Kotak & Co. Ltd and many other delegates will be accompanying with the honorable prime minister in this Summit.

Talking about Dr. Ajay Data's Visit the companies CMO Mr. Nitin Walia tells us that Dr. Data Has left for Brazil yesterday night and he will be giving the presentation over IT scenario in India and explore new business possibilities and association between both the nations.
